

### LAGUNA ART-A-FAIR TODAY

Laguna Art-A-Fair is an artist cooperative, run by and for its membership. Financial obligations, advertising and publicity, general maintenance, and additional responsibilities are administered by an elected board of directors. It is with the combined effort of all our members that the show is able to open on time and run with efficiency and style. We welcome our new and returning members, we celebrate our tenacity and determination, and we revel in our traditionalism. We plan to make this season's Laguna Art-A-Fair another in a long line of years to remember!
