MEDIA & SOCIAL MEDIA FORM

Laguna Art-A-Fair wants to help publicize your artistic success whenever possible in both the local print media and through our social media sites on Facebook, Twitter, Pinterest and Instagram. We have the most flexibility with the quickest response time when you can send us a high-resolution image of yourself, three images of your artwork and a booth photo (if available). These items will be kept on file along with the bio listed for you on the LAAF website. If you receive awards throughout the year on behalf of your art, please email this information to jeff.nadler@wild-life-photos.com so it can be considered for media.

IMAGES: We need your images in digital format: 4 x 5 inches, 300 dpi, in JPEG format (using RGB color space only). Email your images to jeff.nadler@wild-life-photos.com. If you cannot provide this, we will scan the work for you for a prepaid fee of \$35.00 (payable to Art-A-Fair). For scanning we can accept professional quality photos up to 8 x 10". PLEASE NOTE: Do NOT send original artwork or irreplaceable master CD/DVD. Send us a duplicate and retain the original for your own records. Thank you.
