

Deadline May 15
Mail to: Art-A-Fair, PO Box 547, Laguna Beach, CA 92652

PLYWOOD REQUEST

I request that Laguna Art-A-Fair install 3/8" plywood on my booth.

Most of the LAAF booths have 1/2" drywall walls. If you have heavy paintings or other art work to display you may want to have 3/8" plywood installed beneath the drywall. Since most of our plywood is 8' long and the booths are 10' high, you will have a two foot gap at either the top or the bottom of your wall. We need to know whether to install the plywood from the top down or from the bottom up.

The cost for installing and removing the plywood is as follows:

1/2 Booth	\$35
3/4 Booth	\$52.50
Full Booth	\$70
Booth & 1/4	\$87.50
Booth & 1/2	\$105

Please make your check payable to **Art-A-Fair** with a notation "plywood installation". Complete this form and mail the check as soon as possible, but no later than May 15th. Thank you.

PLEASE INSTALL THE PLYWOOD: TOP DOWN or BOTTOM UP (Circle One)
